

How to Find a Patent Information on Nexis Uni:

Nexis Uni offers fundamental features of the patent information.

A researcher may find a patent information using the following steps:

Step 1: Open Nexis Uni and select patent from the Menu drop down as shown below :

🗰 Nexis Uni®	Menu ~			History ~	Help	Hi Nikitha \sim
	Search Home					
	All Sources					
	Business					\frown
All Nexis Uni 🗡 📘 📔	Criminal Justice	purces, comp		Q		
Advanced search Search fi	Political Science					
Advanced scaren Scaren d	Company Dossier					
	Patent					
Guided Search						
What are you interested	d in? Search in	all News for	Choose date range			
News A Publication C	ases	Enter keywords or subjects	All available dates	~		arch
Law Reviews Company In	fo					

Step 2: In the page that opens up, the researcher can do a simple search using the Main search bar. Or he can perform an advanced search with the options available below the main search bar.

	🗰 Nexis Uni [®] Menu ~	History $^{\sim}$ Help Hi Nikitha $_{\sim}$
	Home Advanced search	Link to this page
ť	All Nexis Uni Hand Sanitizer	Q
ť	Search everything	TotalPatent One ∅ □ TotalPatent One Workfolders ∅ ↓ TotalPatent One Alerts ∅

E: info@panworldllc.com | T: +971-6-5747179 A: 214, Al Jabree Building, Al Nahda, P.O. Box 45429, Sharjah-UAE www.panworldeducation.com U.A.E | QATAR | SAUDI ARABIA | JORDAN | OMAN | INDIA

Step 3: This opens up a patent information page, which is a compact version of the original TotalPatent product that LexisNexis offers, with limited information:

TotalPatent One®				Q 🗅 🖓 🗘 🎝 🖧 (j				
q T	93,43	37 records found out of	137,874,142 records searched	Publications Families				
(i) Search companion		Analytics		E III & Sort Application date (ASC)				
Object search 💽 🔺 🕎 🗙		Publication number	Publication date	Title				
Hand Sanitizer		CN106255519B	2020-10-23	Blood treatment cassette with membrane valve and e spacer and blood treatment device				
		CN106783516B	2020-10-23	Ultraviolet discharge lamp device with one or more re and system for determining operating parameters ar disinfecting list of sterilization equipment				
		CN107438427B	2020-10-23	Shampoo				
		CN108651153B	2020-10-23	Tree hole filler and tree hole repairing method				

Step 4 : The researcher can click on any of the records related to the subject searched and check the status of the patent publication such as "Granted" or not granted and continue with their researches accordingly . It also helps in market analysis of certain product/topic.
